

## Pink Ribbon Breakfast

It was a sea of pink at our Pink Ribbon Breakfast held on Friday the 27<sup>th</sup> October at The Club.

The morning started with glasses of pink champagne and a very enjoyable breakfast of pink fruit salads, cereals and croissants.

As the whole morning was about raising money for breast cancer we had an excellent and very entertaining guest speaker, Narelle Willis, talk to us about living with cancer. Guests also participated in a reflexology workshop taken by Jan Mansfield.

A fantastic painting and lots of other goodies were kindly donated by locals and local businesses. In total we raised over \$1400 to go towards continuous research into breast cancer.

A most enjoyable day was had by all and we would just like to once again thank all of our sponsors: Narelle Bignell, Narelle Willis, Jan Mansfield, Just Jan, Specky Spoonz, the Telecentre, Chambers Family, Tansy & Yarrow, Boyup Brook Hotel, Gary Chambers Building, Boyup Brook Post Office, Suzanne & Morris Mead, Boyup Brook Club, Blue Stone Café and of course all the lovely ladies of Boyup Brook.

**Thank you** to Lee Duke and staff at IGA and the Boyup Brook Coop for supplying forklifts for the recent forklift course organized by the Telecentre. Also to Powertrak for the use of their tractors for the Tractor Safety Course.

## Dennis Plane Chiropractor

Dennis Plane's next visits to Boyup Brook will be on Wednesday 29 November & 13 December. Call the Telecentre on 9765 1169 to make an appointment.

## What's On?

It is now two weeks since I started in the Position of Events Tourism Officer and I've been flat out getting everything sorted so I can really get started. I have resigned from the Country Music Club committee, Brad Mead is now President and he is doing a fantastic job.

In my new role I will be in the Tourist Centre on Mondays and in the Country Music office Thursdays and Fridays. If anyone has an idea for a new event or they may want to reinvent or grow an established event. I would be more than happy to discuss and talk through the planning and the development of the event or activity. I'll even make you a coffee if you bring the cake. Alternatively give me a call on my mobile 0429 953 564.

Just on events, you should all give yourselves a big pat on the back. The Country Music Festival is a State finalist in the Events and Tourism Award category for the Regional Achievement & Community Awards. Our community should be very proud of itself for without the community support the festival would not happen.

If we are successful and win this Award, it will be a win for everyone who participates or helps with the festival.

Daly Winter.  
Events Tourism Officer
