## MACNEILS, Accountants *This business life*

Are you going on holidays this month? Off the farm and down to the beach? While you are fishing, or swimming, or lying in the sun, you might start thinking that this is the life you want every day of the year! If retirement is starting to sound like a friendly word, make your accountant your first port of call. Ask for assistance with succession planning, sale of assets, preparation for tax, life-style modeling.

Do it properly, carefully and easily. With your accountant.

## GOODBYE TO BOBBIE

After being employed as a trainee at the Telecentre for 12 months, Bobbie Millar has moved onwards and upwards and has recently been employed in an Administrative role with an Engineering Company in Perth.

During her time at the Telecentre, Bobbie completed a Certificate III in Business and has been a huge asset to not only the Telecentre but the Visitor's Centre and the Boyup Brook Country Music Club. One of Bobbie's roles was to assist the Event Tourism Officer, Daly Winter, two days per week and she carried out these duties with enthusiasm, professionalism and a maturity beyond her years.

The Boyup Brook Telecentre would like to thank Bobbie for her dedication and commitment over the past 12 months and wish Bobbie well as she starts a new phase of her life.

## FAREWELL TO KYM

After 9 years on the Telecentre Management Committee, Kym Lamshed has resigned as Chairperson and is now focusing on his new role as Shire Councillor. Thank you to Kym for his commitment to the Telecentre over this time. Staff and Management Committee would like to wish you well in your new role representing the community on the Shire Council.

Brian O'Hare will take on the role of acting Chairperson until the Telecentre's next committee meeting at the end of January.
